

Half Wall Installation Guide

CREATE A BETTER
EVENT EXPERIENCE

1 Secure the Clamps to the Tent Legs

Secure one clamp to each tent leg at the desired height.

2 Assemble the Half Wall Bar

Connect the bar sections together to assemble one complete half wall bar.

3 Attach the Half Wall Bar to the Clamps

Attach the half wall bar (with graphic) to the clamps on both tent legs.

4 Secure the Graphic to the Frame with Velcro Straps

Wrap the side and bottom Velcro straps around the tent legs to secure the graphic to the frame.

✓ Installation Complete

Your half wall is ready to use.
